

Alpha Solway - Fit Test Passport Scheme

The Alpha Solway Fit Test Passport scheme is designed to ensure your respirator fit testing programme runs smoothly. After being trained by an Alpha Solway Fit2Fit accredited person, the competent fit tester using our Qualitative Face Fit Test Kits and Disposable Respirators can benefit from this simple, unique passport scheme.

The Benefits

- Individual wearer cards showing details of the mask fit tested, test date, tester and when a re-test is due.
- Manage your workload! We'll contact you three months before a re-test is due to help you plan ahead.
- Simple, visible method of checking employees have been fit tested on the product they are using.

It's simple to use!

1. Carry out a fit test and complete the form.
2. Return the completed form with your purchase order to Arden Winch
3. Receive individual "fit test passport" cards for each wearer
