| <b>COLOUR OF LINER/COATING</b>                | Green/Black             |

**TYPICAL APPLICATIONS**

- Injection moulding
- Glass industries
- Engineering
- Metal fabrication
- Transport
- Aerospace

**Cat**  
CE II

**EN 388 standard**  
Abrasion 4  
Cut 5  
Tear 4  
Puncture 2

**Recommendations For Use**

- Do not use near moving machines if there is a risk of entanglement.
- Storage: Gloves should be ideally stored in cool, dry conditions in original packaging and away from direct sunlight.
- Cleaning/Maintenance: Decontamination may take place under warm water using laundry soap and detergent at temperature not greater than 50°C and tumble dry under 60°C.
